

Donation Form

please fax to (632) 813-4488

For more information, please visit www.gilas.org or call (650) 598-3126 in the U.S. or (632) 752 1186 in the Philippines or email connect@gilas.org

The GILAS project is focused at providing computer and Internet connectivity to the Philippine public high schools. We believe that this project provides a powerful means of arresting the education and technology gap that threatens to further sink the Philippines into poverty. Our ability to deliver the goals of this ambitious project rests largely on our partnership with you. We invite you to take an active part in the GILAS project.
